Pastor's Corner
Seeking God's Presence
By Pastor Solomon Liu

Greetings, ECC family and friends. On behalf of my family, I would like to say that it has been a privilege to be a part of the ECC family. ECC is a church that God is blessing. He is using ECC for His work and we are joyful to be a part of it. My prayer is that ECC will continue to walk in God's blessings and be used for His glory.

This summer as we have been studying Exodus, we are reminded that God's blessings come from being in the presence of God. Moses understood this fact. We see in Exodus 33, that when God offered to give Moses and the Israelites the Promised Land, but said He would not go with them, Moses said "No." Moses knew that apart from God, there is no blessing. Blessings come from being in God's presence.

All of us want to be blessed by God, all of us are after His blessings, but the question is: Do we seek the Lord's presence, or do we simply ask Him to bless us apart from Him?

May every one of us strive to not merely seek blessings, but let us strive to seek His presence. Not focusing on what He can do for us, but Who He is. God has so much in store for us, He wants to bless us, but may we, ECC, always say to Him as Moses did, "If Your Presence does not go with us, do not send us up from here." Amen!
